Brooks (Inaba), Nathan Fillion (Mal), Ron
Glass (Book), Summer Glau (River), Sean
Maher (Simon), Jewel Staite (Kaylee),
Gina Torres (Zoe), Alan Tudyk (Wash).

20th Century Fox Television whose copyright I hereby
gleefully violate in order to further celebrate and ani-
mate the characters they were so generously gifted with
and so thoughtlessly abandoned.

STARTING AN ACT

Shuffle the 16 cards and remove the top card of the deck. In 2 player games, take 3 more cards from the deck and place them to the side, face up. Each player draws one card from the deck. Whoever most recently watched Firefly (or the winner of the last act) goes first.

TAKING A TURN

Draw the top card from the deck. Choose one of the two cards in your hand, discard it and apply its effect (if possible).

DISCARDS

All discards are placed beside each other, face up, in front of you. If forced out, discard your hand.

ENDING AN ACT

An act ends if the deck is empty at the end of a turn (or only one player remains in the act). All remaining players reveal their hands. The player with the highest ranked person gets a coin.

WINNING THE GAME

Stage acts until a player has 4, 5 or 7 coins for games with 4, 3 or 2 players respectively.
